AI Tee Time Booking: Never Miss a Swing

Capture every opportunity with our 24/7 AI-powered booking assistant. Turn inquiries into confirmed tee times, day or night, and keep your course thriving.

· Always Open: 24/7 AI answers every call, ensuring no booking is missed.

· Smarter Conversions: Personalized AI engages golfers, boosting bookings by up to 20%.

· Effortless Automation: Free staff from routine calls to focus on exceptional service.

"Golf Go's AI booking system doubled our off-hour reservations in just one month."

— Patrick Brooks, Director of Operations, Richland Golf Club, Maryland

AI Self-Check-In Kiosks: Speed Meets Simplicity

Transform peak hours with sleek, AI-powered kiosks that streamline check-ins and enhance golfer satisfaction.

· Fast Check-Ins: Golfers check in within 60 seconds, reducing queues by 70%.

· Labor Savings: Automate check-ins, cutting staff workload by up to 20 hours weekly.

· Upsell Opportunities: Offer rentals, merchandise, or dining via the kiosk, increasing revenue by 15%
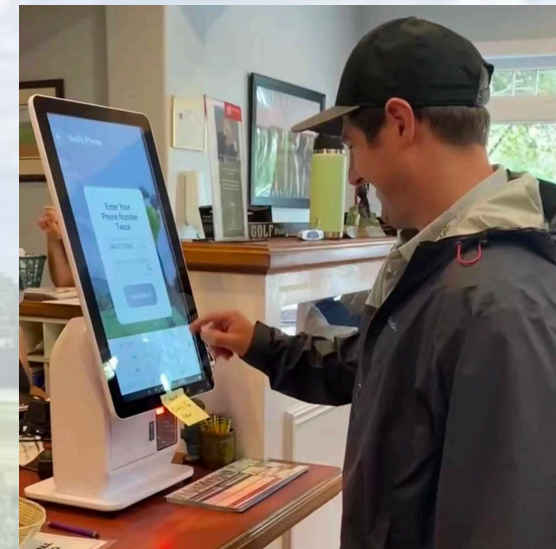

"The kiosks have been a game-changer, letting us focus on creating memorable experiences."

— Edward Coyle, General Manager, Richland Golf Club, Maryland
